

Applied Research in Earth Sciences (ARiES) Summer School: Application Form

**Application deadline: Monday, 20 February, 2017 5:00
PM US Mountain Standard Time**

A complete application package includes:

- Application Form
- One-page statement on research interests and how participation in the ARiES Summer School will be beneficial for research and career plans
- Current CV, including a full list of publications and presentations
- One letter of recommendation, preferably from current advisor
- Undergraduate and graduate transcripts (unofficial is acceptable). For your identity protection, please black out any Personal Identifying Information (PII) such as address, SSN, etc.

Your application will not be considered if all of the supporting documents are not included.
